On July 16, 1997, the Commission ordered Western Pulaski County Water District ("Western Pulaski District") to satisfy the complaint in this proceeding or to file a written answer within 10 days of service of the Commission's Order. Pursuant to KRS 278.410, service of the Commission's Order occurred on July 19, 1997. As of the date of this Order, Western Pulaski District has neither satisfied nor answered the complaint.

Failure to submit a timely answer will be considered as an admission of all allegations contained in the complaint and will constitute grounds for the entry of an Order granting the Complainant's requested relief.

The Commission further ORDERS that no later than October 9, 1997, Western Pulaski District shall show cause in writing why it should not be subject to civil penalty or other administrative sanction for its failure to comply with the Commission's Order of July 16, 1997.
